Part II. Animal Health Information

II. Certificate reference number:

II. The undersigned Certifying Official certifies that live fish/ their gametes/ fertilized eggs for human consumption described above satisfy(ies) the following requirements:

(1) The consignment meets one of the following conditions (please mark "X" as applicable):

- I. The pertinent diseases of concern listed in the attached table of the Quarantine Requirements for the Importation of Live Fish and Their Gametes and Fertilized Eggs are notifiable diseases in the exporting country. The water area or aquaculture facility of origin has been subjected to an official health surveillance scheme conducted by a laboratory designated by the exporting country's government. According to the surveillance results, the pertinent diseases of concern listed in the attached table of the Quarantine Requirements for the Importation of Live Fish and Their Gametes and Fertilized Eggs have not occurred for a minimum of two consecutive years in the water area or aquaculture facility of origin. Name of the diseases which are under official surveillance complying with this condition : _____
- II. Within a period of thirty days immediately preceding the exportation of live fish, their gametes or fertilized eggs, samples were collected from the water area or aquaculture facility of origin for testing by a laboratory designated by the exporting country's government for the pertinent diseases of concern listed in the attached table of the Quarantine Requirements for the Importation of Live Fish and Their Gametes and Fertilized Eggs. The results were negative.

Results of quarantine inspection:

Disease name	Date of sample collection	Number of samples collected	Name of the laboratory testing the samples	Test methods	Results of the tests

Part II. Animal Health Information	II. Certificate reference number:
	<p>(2) Sample collection, testing and surveillance as referred to in this certificate were conducted in accordance with relevant provisions in the Manual of Diagnostic Tests for Aquatic Animals of the World Organization for Animal Health (hereinafter referred to as the OIE Aquatic Manual). For diseases with no sampling, testing or surveillance methods prescribed in the OIE Aquatic Manual, methods that have been published in international scientific journals were used.</p> <p>Signature of Certifying Official: _____</p> <p>Name of Certifying Official in block letters: _____</p> <p>Name of Issuing Authority: _____</p> <p>Place of Issuance: _____</p> <p>Date of Issuance: _____ Official Stamp:</p>
